Who can be a member?

Everyone is welcome - well almost everyone! Employees and members of authorized VIP Purchase Program members that reside in Canada, who are at least 18 years of age, can benefit from this great program. What's even better? You can share the savings with your immediate family - that means, mom, dad, husband, wife, even your grandma or brother can enjoy great benefits! Simply place the order on their behalf and have the item shipped right to their door¹.

Program Details:

We at Panasonic are ready to receive all your orders and are looking forward to them! There are a few key things to keep in mind:

- We want to share all the special pricing with you and other VIP members! Please refrain from sharing your pricing with persons who are not eligible to purchase or receive pricing under the program.
- By signing up to the program and submitting your order, you certify that you have read and understand the terms and conditions of the VIP Purchase Program.
- Offers are constantly changing and we want to provide you with the best price - therefore, offers are subject to change and cannot be combined with any other offer.
- We are constantly enhancing our website and we do our best to always have the products you want. Products are offered while supplies last and may be added or removed at any time.
- Large volume orders cannot be placed through the program; see below for program purchase maximums. But don't fret - Volume Discounts are available! Call 1-855-806-1175 to save on 10+ unit orders.
