

# Women in Wood

**WATCH THIS VIDEO FROM JOB TALKS**

Labour shortages are a constant challenge. Why not share this video with your local schools? Encourage more women into the profession.

Women make great woodworkers. Let's help encourage more women into the profession for a rewarding career.

Be sure to check out Wood Manufacturing Council's [Womens Mentorship Program Overview](#).

Now you have a tool - use it and together we can put a dent in the labour shortage issue.
