

Dear CKCA member,

We are interested in engaging in a mutually beneficial relationship with companies like you. Your old, obsolete, unwanted inventory could qualify as a generous gift-in-kind donation to our charity.

Physical space for new inventory is imperative when you are a business owner or major corporation. Every bit of space counts! But sometimes bulk inventory can build up and get in the way of your business goals. We at Habitat Canada can help with that!

### **Who are we?**

Founded in 1985, Habitat for Humanity Canada is a national, non-profit organization working toward a world where everyone has a decent and affordable place to call home.

### **How does this help you and your community?**

#### Benefits to You

- A unique public relations opportunity: in addition to helping you to dispose of unwanted items by offering free pickup & drop off services, we will provide you with a variety of rewards.

#### Benefits to the Environment

- You will reduce waste by finding an alternate use for unwanted items. You can demonstrate your commitment to become a greener company.

#### Benefits to the Community

- You will be helping your community to break the cycle of poverty through affordable homeownership. For each donation to the Habitat for Humanity Canada, profits go towards building homes for families in need...and you can help!

### **How to donate?**

It's easy!! Simply email or call me indicating you are a CKCA member!!

I look forward to hearing from you!

Kind Regards,

Rumee Shrestha
